

Price List of One-time Charging

(hereinafter referred to as the "OTCS Price List")

Terms used in the OTCS Price List have the same meanings as in the Conditions of One-time Charging, unless otherwise specified.

I. PRICE CALCULATION

- I1 Calculation and invoicing shall take place in accordance with the Conditions of One-time Charging.
- I2 VAT is charged according to the applicable regulations. The prices below are incl. VAT.
- I3 The Provider reserves the right to charge a lower price (discount) for some connector(s) than the one listed below. The proposal of a lower price (discount) will be announced by the Provider in the Application or on the Portal at the relevant connector. By starting the charging, the User accepts such a lower price.
- I4 The payment card for paying the price is verified by authorization of CZK 0.00 and by blocking CZK 1,200.00 before each one-time charging. The unused amount is unblocked no later than the 5th working day after the card is authorized.
- I5 In this Price List, the following terms shall mean:
