The proposed amount of CEZ's dividend: 20 CZK

Yesterday's meeting of CEZ Power Company's Board of Directors decided on the proposal for the amount of a dividend from the last year's profit (non-consolidated), which is going to be submitted to the general meeting on 23 April 2007. The Board is going to propose a gross dividend in the amount of 20 CZK per share (nominal value 100 CZK).
