ČEZ is ready to launch the exchange as a market creator

ČEZ signed the contract to secure clearing of debts from the Prague Power Exchange deals with Komerční banka on 29 June. This contract is one of contracts necessary to launch the Prague Power Exchange dealing. ČEZ has also finished the preparation work on the necessary technological infrastructure and successfully tested their system. ČEZ is therefore ready to launch dealing with futures contracts in the role of the Prague Power Exchange market creator.
